Farmhouse Fresh Event!

Face Mask Night

Thursday, March 28

Time: 6-7:30 pm

Join us for an evening of fun, friendship and a complimentary face mask application!

First, we'll start with a mini-course about our **Farmhouse Fresh Masks**. This will help us determine the best choice for your **personalized skin care** needs and then we will all apply your selected mask. While the mask is working its magic, enjoy sampling the many **body scrubs**, (polish your hands to perfection!) then follow with your choice of **oils, lotions and creams**.

Enjoy 10% off any Farmhouse Fresh products purchased that evening!

Located in the Nanticoke River Marine Park
